# ✳ Icon Calendar Central

**Save time running your life enrichment program and minimize redundancies to keep staff focused on what matters most - your residents.**

### Filter Calendar View
Staff can easily personalize the view of their calendar through customizable filters including service level, coordinator, meeting location, and more

### Room Management
Seamlessly reserve and manage rooms to avoid overbooking and scheduling conflicts

### Intelligent Reporting
Track important stats like attendance, trends, dimensions of wellness, and event insights - part of Icon's Smart Aging™
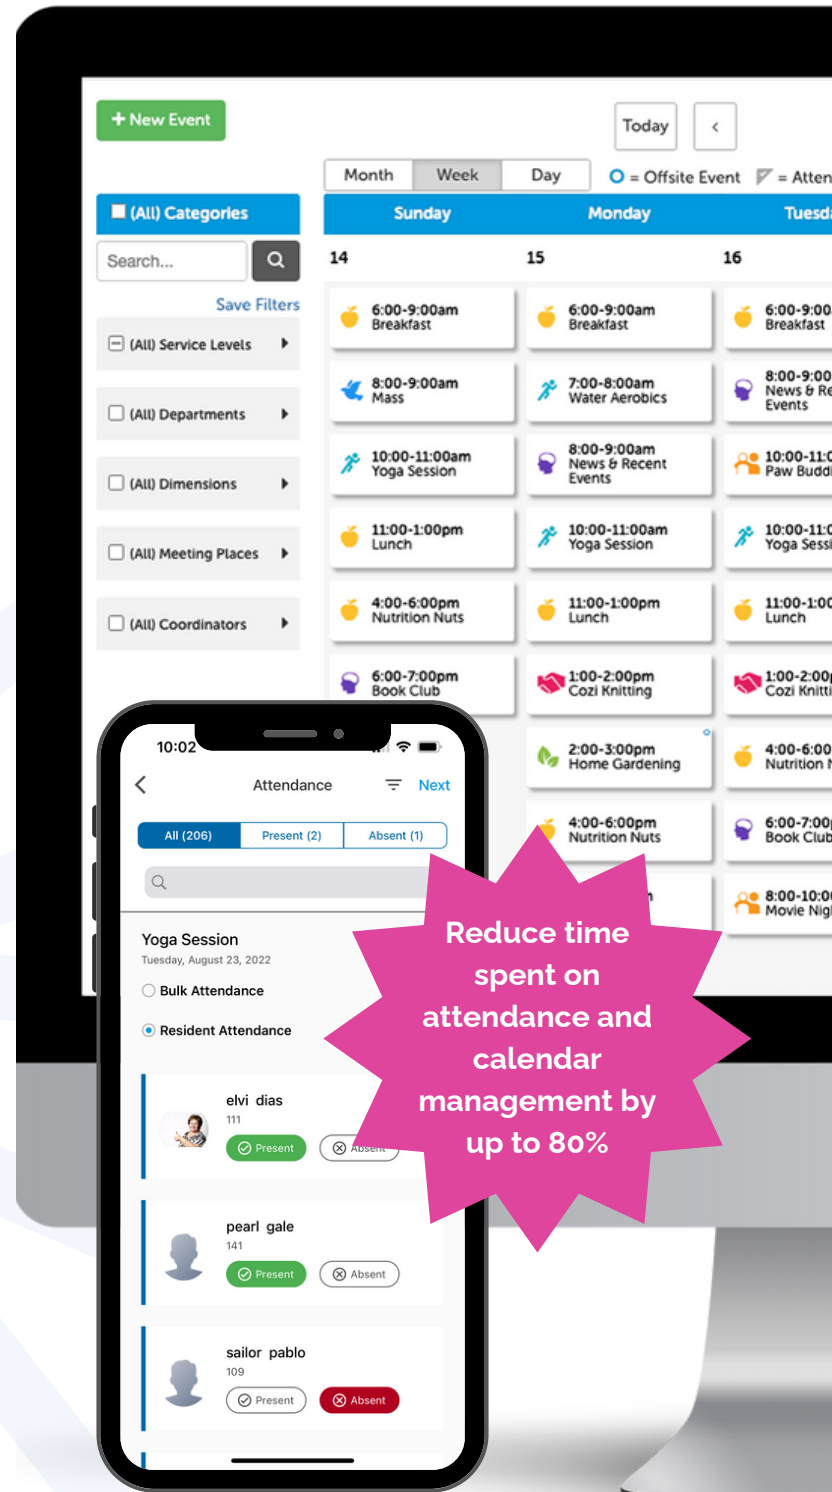

### Be a Mobile Workforce
Our mobile staff app is designed for attendance-taking, making changes to events, and secure messaging, all on the go

### Calendar Print Styler
Easily change colors, add a logo, adjust text to fit the desired print size, and approve your calendar before downloading or printing

### Custom Flyer Creator
Design a flyer to promote your event with our built-in flyer builder complete with custom brand kits.

**Reduce time spent on attendance and calendar management by up to 80%**
